The definition of “Public Records” and the rules regarding their release are set forth in Oregon Revised Statute 192.410 through 192.505 and in the Oregon Attorney General’s Public Meetings and Records Manual. Although public records are usually available for disclosure, there are a number of limited circumstances under which a public body either must or may decline to release certain information.

Written requests are required for all information review or record requests. Routine requests will be handled by the Administration Department. Requests that implicate application of statutory exemption from disclosure shall be submitted to the City Attorney for review.

There will be a fee charged for providing these services. Estimated charges for records requests will be provided and payment in full is required prior to the City releasing any records/information. A fee schedule is reflected in the City policy which is available upon request.
