2. Clarification of Public Records Requests

   If the City of Cave Junction receives an unusual request, or the scope of the request is unclear, the City may request additional clarification before responding to the request.

3. Charging for Public Records Requests

   The Oregon Public Records Law allows public bodies to recover their actual costs in fulfilling a public records request. If the estimated fee is greater than $25, the City will provide the requestor with written notice of the estimated amount of the fee.

   The fee will be reasonably calculated to reimburse the City for its actual costs in making the records, and may include:
a) Charges for the time spent by the City staff to locate the requested public records, to review the records in order to determine whether any requested records are exempt from disclosure, to segregate exempt records, to supervise the requestor’s inspection of original documents to copy records, to certify records as true copies and to send records by special or overnight methods such as express mail or overnight delivery.

b) A per-page charge for photocopies of requested records; and

c) A per-item charge for providing CDs, audiotapes, or other electronic copies of requested records.
